

What is eventbrite® ?

Eventbrite is a do-it-yourself event management web site that helps businesses and organizations of all sizes promote and sell-out their events. Eventbrite breaks down event management into **3 basic tasks** and gives you all the tools you need to make your event a success:

1 Publish

The first step is to create and publish an online registration page. Eventbrite makes it easy for anyone to create a professional-looking registration page that will engage and inform your attendees.

- Enter your event details
- Customize the colors and appearance
- Set your ticket price
- Add your logos and graphics

2 Promote

The next step is to get the word out about your event. Eventbrite gives you the tools you need to successfully promote your event to attendees and helps people find your event on the Web.

- Import your contact lists
- Send custom email invitations
- Create a personalized event URL
- Create discount codes

3 Sell

Eventbrite gives you the power to accept payments and sell tickets to your event online.

- Accept major credit cards online
- No merchant account required
- Immediate access to your funds
- Online sales reports keep you informed
